

## Public Pollution Incident Response Management Plan

This Public Pollution Incident Response Management Plan (PIRMP) has been developed and made publicly available in accordance with clauses 98D(2) & 98D(3) of Part 3A of the *Protection of the Environment Operations (General) Regulation 2009* for Snowy Hydro Limited as applicable to the HEZ Power Station Environmental Protection Licence (EPL) 21466. All public enquiries and reporting should be directed to 1800 766 333.

If an emergency or incident is determined to have caused or threatened material harm to the environment and surrounding community/premises Snowy Hydro Limited will immediately contact each authority and neighbouring premises listed below and provide updates during an event as required.

Authority and Neighbouring Premises	
Fire and Rescue NSW	000
NSW EPA	Pollution Hotline 131 555
ComCare	1300 366 979
Cessnock City Council	Customer Service: 02 4993 4100 <b>After Hours</b> Phone: 02 4993 4100
NSW Ministry of Health Newcastle Public Health Unit (Hunter New England LHD)	Phone: (02) 4924 6477, <b>After Hours</b> Phone: (02) 4924 6477 (John Hunter Hospital) - ask for Public Health Officer on call
Ullrich Aluminium (HEZ Industrial Estate)	+61 (2) 4015 6800
AUSGRID (HEZ Industrial Estate)	13 13 88 - 24hr Emergencies
Hunter Investment Corporation (HEZ Industrial Estate)	02 98916044

As the premises is in an industrial/bushland area and has few close neighbours, Snowy Hydro Limited will develop and implement an appropriate emergency response plan specific for the emergency and potential impacts on surrounding communities if and as required. This plan will include allocating appropriate responsible people to notify and co-ordinate with affected community members. The following mechanisms appropriate to the circumstances may be adopted to notify and update surrounding community of an incident:

- Local media sources;
- Snowy Hydro Limited webpage updates and media releases;
- Telephone calls or doorknocking (where appropriate).

Actions taken by Snowy Hydro Limited's site personnel to combat the emergency will be guided by the **HEZ Emergency Response Handbook** as specific to the incident or emergency context.
