

SCIENCE OF THE SNOWY SCHEME

PCYC NSW COMPETITION AND HOLIDAY PROGRAM 2022

For your chance to WIN a family trip to the Snowy Mountains, PLUS up to \$750 worth of arts and crafts supplies or sporting equipment for your PCYC club or branch.

We are asking the kids of PCYCs across NSW to design a poster to showcase their knowledge of how Snowy Hydro uses renewable energy to power their homes.

Entries must be submitted electronically and include a photo of the child's poster.

Snowy Hydro is rolling out an incursion program this summer so children can learn about the mighty Snowy Scheme and renewable energy with a range of fun activities.

Competition closes 31 January 2022
