

Poster planning tool

Overview

This activity is designed to support the student to plan a poster about renewable energy

Task

Create a poster to showcase your knowledge of how Snowy Hydro uses renewable energy to power your home

- ☐ Start by finding out more about renewable energy at Snowy Hydro - [click here](#)
- ☐ Challenge yourself with the Renewable Energy Knowledge Quiz - [click here](#)

Hint - don't forget to let your knowledge of renewable energy shine through

Ideas - write or draw in this box

Hint - be as creative as you like and surprise yourself!

CHECKLIST - What will you include in your poster?
(examples - drawings, photos, text, tables, collage)

Title

☐☐☐☐☐

Plan the layout for your poster here in either portrait or landscape. **Be creative and let your ideas flow**
