My mum is someone who ~~insp~~ inspires me with her job, her work, and her ~~enthusiasm~~ enthusiasm. Before she badly hurt her hand she used to go out ~~in~~ ~~to~~ onto peoples property's and look for weeds. My mum is a bio-security officer and her job is to ~~to~~ spot weeds and get the owners of the land to kill ~~though~~ ~~weeds~~ ~~thats~~ ~~thats~~ those weeds to keep their crops and gardens safe and healthy or even just keeping their plants/grass healthy. I've always had a struggle with what I want to do/be when I grow up. Being a bio-security officer isn't my dream job but its still a good one.
