In 50 words or less, write about someone that inspires you and why?

Write your answer to the competition question here

My dad inspires me because helping people. He helps people with plumbing and other simple things. For example once we were heading down the coast, dad and I saw a man right next to the servo broken down. So dad towed him to the servo while everyone else was beeping at him to get out of the way. This was a true act of kindness. He inspires me to be a good, kind person.
