## Part 2 - Answer

In 50 words or less, write about someone that inspires you and why?

Write your answer to the competition question here

My Parents inspire me.

They push me to do better at school and at home.

Not only do they take care of me but they encourage me to go out of my comfort zone. For example they make me try different foods and do scary things.

This is why I love my wonderful, caring, great, inspiring parents.
