Part 2 - Answer

In 50 words or less, write about someone that inspires you and why?

Write your answer to the competition question here

Noah Busanille Creator of the Cg Atari and Chunky Cheese.
He inspires me because of when made he made Atari for
kids who are now Adults probably made so many fun memories
playing on it. How do I know, because there are two in
the shed. So the reason he inspires me is because of
all the joy, kids had on it and maby I could do something
like that.
