Write your answer to the competition question here

The person who inspires me is loving, caring and kind. And this person I would like to proudly say is my Nan; I love my Nan and she is good at so many things and she tries to teach me those things. My nan inspires me for so many reasons but most of all is she wants me to be the best I can be. My goal in life is to grow up and be like my Nan. I love my Nan and I hope to be as kind and thoughtful as she is.
