In 50 words or less, write about someone that inspires you and why?

Write your answer to the competition question here

The Snowy Hydro company inspires me because they use water to make electricity. What they did to make tunnels was amazing. When I go to Talbingo for water skiing I go past the Tumut 3 power station and see them working on it. When they were making the tunnels lots of people died. They had to go across mountains with rough conditions. That's why Snowy Hydro really inspires me.
