

## Part 2 - Answer

In 50 words or less, write about someone that inspires you and why?

Write your answer to the competition question here

My mum inspires me because she helps people who really need it. She also helps people who have a child or a baby to see if it is a safe environment. If it isn't she helps get the place clean for the child or baby. She also buys equipment that the baby needs. Mum helps me to help understand questions and that's why she inspires me.
