

science of the SNOWY SCHEME COMPETITION

STEM CAREERS AT SNOWY HYDRO

Part 1: Colouring-in Sheet

Name Mary Cox Date / / 23

Mary Cor

Part 2 - Answer

In 50 words or less, write about someone that inspires you and why?

Write your answer to the competition question here

Albert Einstein

Albert Einstein, who was a German scientist, died on April 18th 1955 aged 76. He once said "logic will get you from A to Z; imagination will get you everywhere." Even if I don't really like science, Einstein's quote is inspirational. Albert Einstein made a life changing formula, $E=mc^2$, which is the speed of light! inspirational!
